News From The Board

Greetings,

Our pool committee is in the process of acquiring bids for a new pool service provider. After several years with Positively Pools (PP), the joint decision was made not to re-up our contract with them. This was due primarily to a significant cost increase proposed by PP, along with not receiving the type of service we had in the past. We thank PP for their service and wish them all the best in their future business endeavors.

Recently, the electrical breaker box and many non-working outlets were replaced in and around the clubhouse. There have been issues for years with the electricity at the clubhouse due to the equipment being outdated and not in compliance with applicable codes. Thank you to board member Patricia Scheer for being the "general contractor" on this project.

Halloween is right around the corner. For those new to Cooper's Pond, we get quite an influx of trick-or-treaters from outside the neighborhood. If you plan on handing out candy, be prepared for a large number of spooky guests on Halloween night. The social committee will have our annual costume contest on Halloween prior to trick-or-treating. Stay tuned for details.

If you have any questions, concerns, or suggestions regarding the HOA or to get on the Cooper's Pond email distribution list, please reach out to the HOA e-mail below.

One more thing:

From 2-6 PM this Sunday, October 29th the pool will be open for dogs to swim and enjoy the cool pool water. If you bring your dog, be sure you keep an eye on him/her around people and other dogs to prevent any mishaps.

And if your dog utilizes the pool area as a restroom, clean it up.
