## Billiards

Matt Crowley

**~ PLAYERS NEEDED FOR UPCOMING MEN'S BILLIARDS SPRING SEASON ~**

**~ LAST CHANCE TO SIGN UP! ~**

Well, it is finally time. Time to sign up for Spring billiards. Time for everyone to show off all of that extensive offseason training I have been hearing about. I am anticipating starting on March 6th, with the captains meeting being TBD, most likely on February 27th or March 2nd, which should end the season by late April or early May, depending on number of teams, with playoffs immediately following. We will have an off week as always for Gwinnett County Schools Spring Break. New players will need to "audition" right before the captains meeting to establish ranking.

This is a fun league and a great way to meet your neighbors and socialize while sharpening your billiards game. All skill levels are welcome! We have 4 levels of players (A,B,C,D) and draft teams of 4 with a host table. You don't need a table to join. Just sign up, we'll explain the rules and format. We play on Thursdays @ 7pm. Your team will have a "home" table in the neighborhood, for away matches you will "travel" to another house in the neighborhood. At the end of the season we pass out trophies (for bragging rights) to the top team and individual level players. We throw a fun end of season party that's catered and you can bring your spouse to. That way you can show them what you've been doing every Thursday night for the last few weeks. Come join today! Only a few days left!!

## Swim Team

The Cooper's Pond Aquaducks are calling for all kids this summer! Returning ducks will receive an email shortly for advance registration. Open Registration will open in March. We have a fun and vibrant group of kids who get the most out of summer! Your kids will get practice with their peers in the morning (and probably set times to hang out later in the day), keep strong in the life long skill of swimming, and build a strong community based on friendship and activity. You can expect the following from this year:

- (1) We will remain a small team to ensure shorter meets and reasonable pool use
- (2) We will have a time trial meet where kids and parents can see how a meet works before we have an actual meet.
- (3) We will have 5 regular meets.
- (4) We expect families to enjoy their summers, swim team ADDS to your adventures but does not replace your family vacations! We understand and put our families and community first!
- (5) Our end of the year party will be during regular fun Friday where we can celebrate our kids accomplishments with pancakes and a pool party.

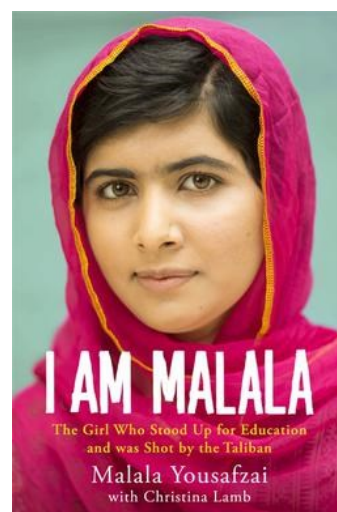

We are so proud to be a part of Cooper's Pond's heritage! Come be a part of this amazing tradition!
